2022-FPFO-00052	(b)(6)	<p>incident on December 7th, you have been trying to look for report # (b)(6) Nature - collision of two transport vehicles Physical location - as per driver: our driver was at the ambassador bridge in the extreme right line traffic was heavy as usual , 3rd parties truck and trailer came from his left side and saw the gap in n front of him and dived right in , which result his back of the trailer came in contact with our tractor . Our driver honked him but he would not stop , his trailer rim stuck with our tractor lug nut and dragged our tractor and that caused truck's wheels turned out at the left side . Finally our tractor wheel lug nut released from his trailer rim and 3rd party's driver realized that he hit us, since the driver side door was against the other trailer our driver got out from the passenger side and went to him , but he refused to open his tractor window and refused to talk and tried to continued driving . our driver took pictures as he refusing to talk. Bridge patrol guy arrived on the scene and asked both to exchange the info and moved and he refused again and started driving towards to custom booth . our driver suddenly called U.S. CBP and informed about the accident and request CBP to intercept the driver . As our driver crossed the customs he informed the officer and requested to send him tractor trailer staging area by the secondary immigration and waited there . After 10 mins he saw two CBP police cars escorting Autobahn tractor , The officer who escort the Autobahn tractor trailer stopped and Than took both of them to secondary immigration. There was an another officer took their statement , went out side saw both the tractor trailer and damages made his notes and advised that he will send his report to insurance companies</p>	12/22/2021
