

## **Subchapter 3042.2 Contract Administration Services**

### **3042.202 Assignment of contract administration.**

(a) Contracting officers shall comply with FAR 42.202 when requesting contract administration support services from the cognizant contract administration office (CAO) listed in the Federal Directory of Contract Administration Services Components. The Defense Contract Management Agency (DCMA) maintains the Federal Directory of Contract Administration Services Components.

(c) *Delegating additional functions.*

(2) The authority to approve the delegation to the CAO is delegated to one level above the contracting officer. In no case shall the authority be delegated below one level above the contracting officer.
