

Statement of Commonality

March 11, 2024

System Release: Valid8 P25 CAP - ISSI/CSSI Conformance Test Tool (ICCTT) - Version 2.4, fw 8.4.25
Valid8 ISSI/CSSI Test Tool

Purpose: Valid8 ISSI/CSSI Test Tool Update

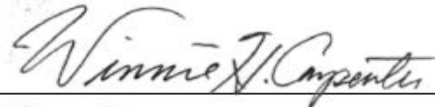

This Statement of Commonality is provided by Valid8 to support revisions to the previously accepted test tool Version number 2.0: PE firmware version 8.4.25 by DHS.

Valid8 declares that, for purposes of P25 Compliance Assessment Testing per the P25 Compliance Assessment Program’s ISSI/CSSI Conformance Pass/Fail Criteria document, the ISSI/CSSI Conformance Test Case Documents, ISSI/CSSI Conformance Test Requirements Compliance Assessment Bulletin, TIA-102.BACA-B, TIA-102.BACD-B, the Valid8 P25 CAP - ISSI/CSSI Conformance Test Tool (ICCTT) - Version 2.4 – PE firmware version 8.4.25 has equivalent P25 functionality with no substantive changes that would impact the results originally documented by the Department of Interior and approved by DHS.

This Statement of Commonality declaration is supported by engineering analysis.
