## Employee Shuttle Services III

The Department of Homeland Security (DHS) has established the Employee Shuttle Services III Blanket Purchase Agreement (BPA) to provide Components the ability to procure shuttle bus transportation services within the National Capital Region (NCR), to include the District of Columbia and various counties in Maryland and Virginia within 80 miles of Interstate 95 and 495. Services can include regularly scheduled service between various DHS facilities and mass transit stations where the location of the facility exceeds reasonable walking distance (2,000 feet or a half mile) from the mass transit station.

### Key Contract Vehicle Features:

- Ensures transportation will be available when needed;
- Efficiently fulfills routine demand to more isolated locations such as the TSA Systems Integration Facility (TSIF), Nebraska Avenue Complex (NAC) and St. Elizabeth's campus;
- Provides improved security for personnel and government property;
- Reduces administrative costs compared to managing individual travel accounts and separate contracts for routine local transportation; and
- Provides lower per trip and overall transportation cost to DHS.

### Period of Performance (POP):

One-year base, plus four one-year options (06/20/2024 – 06/19/2029)

### Number of Awardees:

Two small businesses
