2024-HQFO-00083	James Fitzpatrick	10/26/2023	<p>Recent media reports show that Claire Trickler-McNulty, Assistant Director at ICE'S Office of Immigration Program Evaluation, previously worked at an advocacy organization, Kids in Need of Defense (KIND) before returning to ICE. According to these stories, Ms. Trickler-McNulty oversaw "expanded social services and programs that monitor illegal immigrants who aren't detained." KIND has also received millions of dollars in federal contracts. This includes nearly \$13,000,000 in 2021 from the Office of Refugee Resettlement, and between 2018 and 2019, KIND received more than \$25,000,000 in subcontracts from the Vera Institute of Justice, a group that advocates against immigration detention and has promoted calls to "Abolish ICE."</p> <p>The confluence of Ms. Trickler-McNulty's prior employment with an advocacy organization who has supported calls to abolish the very agency she is tasked with helping run and allegations of her inappropriate involvement in large contracts consistent with her former employer's policy goals, raise serious concerns of potential misconduct. The public interest in enforcing immigration laws and protecting the homeland demands greater transparency into Ms. Trickler-McNulty's communications and decision-making. As a result, CASA requests all records exchanged between Claire Trickler-McNulty and Lauren Gold and all records exchanged between Lauren Gold and media and other outside organizations as detailed in the attached request.</p>

In 2019 I invented the Ward Speed formula and operation Warp Speed, which subsequently began Operation Unity and the formation of the Space Force in Greenland. Currently there is a matter at hand and I have proof that I did form those operations when I began my presidential campaign in 2019, however the evidence I have to prove this is being withheld and has been withheld for 16 months. This is being used against me, and I need any evidence that proves otherwise or validates my claims. I basically commanded those operations and formed a committee. My entire campaign was based around these operations. I have family members that work for or previously worked for the department of defense, yet the arrogance of these attitudes has gotten in the way of the truth. I need names, orders of operations, line and chain of command, proof of the origins of these operations and how they came about. I have a patent pending on the Warp Speed Formula, why else was the operation named operation warp speed?</p> <p>2) I need all discovery records and records from the investigations geared towards me from 2014-2022.
