WEBINAR

Empower & Equip: How to Spot and Report Suspicious Activity this #SeeSayDay

Tuesday, September 24, 2024 | 12-1pm EDT

WHAT TO EXPECT

Join the “If You See Something, Say Something®” campaign for an empowering #SeeSayDay webinar to learn how you can **spot** the signs of suspicious activity, **report** suspected activity to local authorities, and help **prevent** terrorism-related crime. Hear from DHS leaders, campaign partners, and the campaign team on how to recognize and report potential threats, get involved on #SeeSayDay, access campaign resources, and partner with the campaign. Make a difference in your community by raising awareness on September 25 and beyond.

Remember: Factors such as race, ethnicity, gender, national origin, religion, sexual orientation, disability, or gender identity are **not suspicious**.
