FSSI Maintenance Repair Facilities Supplies II (MRFS2)

The Department of Homeland Security (DHS) has made a commitment to use the Federal Strategic Sourcing Initiative (FSSI) Blanket Purchase Agreement (BPA) contract vehicle for Maintenance Repair Facility Supplies II (MRFS2) to purchase maintenance, repair, janitorial, and sanitation products government-wide, at prices that leverage the purchase volume of the federal government.

MRFS2 has a broad range of items available that include, but are not limited to:

- Hardware, Tool and Tool Cabinets, and Paints Sealants and Adhesives
- Cleaning Compounds and Related dispensers
- Paper Products and Related Dispensers
- Disinfectants/Degreasers/Glass Cleaners
- Mops/Brushes/Trash Receptacles and Bags
- Toilet Paper/Paper Towels/Facial Tissues

Key Contract Vehicle Features:

- All contractors are AbilityOne authorized distributors and 20 of 22 are small businesses
- Products are Trade Agreement Act (TAA) compliant and includes sustainability features including: WaterSense, Energy Star and more
- New features to add products requested by agencies, pending availability by vendor
- Provides vast product selection of over a million items
- Diverse socioeconomic contractor pool
- Low or No Minimum Orders – minimum order threshold of \$25 with no processing fee
- Multiple ordering platform: contractor websites, phone or fax, brick and mortar stores

Period of Performance (POP):

One-year base, plus four one-year options (7/12/2024 – 7/11/2029)

Number of Awardees:

22 (19 small businesses and two other-than-small businesses)

Contractor Information: A complete listing can be found on the FSSI website:
