

Less Lethal Pressurized Air Launcher (LLPAL)

The Department of Homeland Security (DHS) awarded an Indefinite Delivery/ Indefinite Quantity (IDIQ) contract for Less Lethal Pressurized Air Launchers (LLPALs), LLPAL accessories, and inert and capsaicin-filled projectiles. This contract is available for use by all DHS Components. Other federal agencies may request order authorization from the IDIQ Contracting Officer.

Key Contract Vehicle Features:

- Provides a one-stop solution for acquiring LLPALs, training and operational projectiles, associated accessories, and maintenance items;
- Includes a requirement for products to maintain useful shelf life under reasonable storage conditions for a period of five (5) years from the date of product acceptance; and
- Requires the vendor to have the capacity to manufacture a minimum of 300 launchers per quarter, thereby reinforcing the ability to meet demand.

Period of Performance (POP):

Five-year ordering period (9/18/2020 – 9/17/2025)

Number of Awardees:

One (small business)
