

National Furniture Products & Services

The Department of Homeland Security (DHS) developed the National Furniture Products and Services Blanket Purchase Agreement (BPA) to provide a full range of furniture and related services. These services include product pricing, project management, design, delivery, and installation of the following product groups.

- Haworth (via Price Modern)
- Herman Miller (via Herman Miller)
- Knoll (via MOI)
- Steelcase (via USBI)

These products and services are available for the entire United States, including Puerto Rico, Hawaii, and Alaska.

Key Contract Vehicle Features:

- Provides a wide selection of products to support existing and new workspace requirements;
- Promotes and supports socioeconomic goals by utilizing small businesses;
- Allows DHS program managers and contracting professionals to control the outfitting schedule and procurement process; and
- Offers updated product catalogs, as often as quarterly.

Period of Performance (POP):

One-year base plus four, one-year options.

Number of Awardees:

Four (three small businesses and one large business)
